

Memo No. 2019-042
Date: 04-Nov-2019
Memo To: Clients
Re: Various

New Tests

Details for these new test services are available in the ICL web-based test catalogue at <https://iclabs.ca/test-catalogue/>. Contact Client Care for test price.

Aldolase, Serum; Flecainide, Serum/Plasma; Lidocaine, Serum/Plasma; Propafenone Serum/Plasma:

Due to a significant price increase at the previous testing lab, these tests have been moved to another lab allowing ICL to avoid a significant price increase but maintain a quality service. Please refer to the website listings for important revisions in specimen collection, submission and reporting.

Mumps Virus Antibodies IgG + IgM, Serum

Test Revisions

Details for the following test revisions are available in the ICL web-based test catalogue at <https://iclabs.ca/test-catalogue/>

Corticosteroid Binding Globulin, Serum: Revised specimen details and reference ranges.

Porphyryns Fractionated, Serum/Plasma: Revised specimen type recommendation.

Prealbumin: Specimen type and stability revision - serum is the only acceptable specimen type. Gel separator tubes are acceptable.

If you have further questions, please contact Client Care at (416) 422-3000 Ext. 300 or info@ICLabs.ca
