

Memo No. 2020-038
Date: 15-Jun-2020
Memo To: Clients
Re: *Service Interruption*

Service Interruption

Amino Acid quantitation is delayed due to manufacturer's inability to provide adequate analytical reagents. Specimens will be held pending routine assay availability.

Urgent testing when clinically indicated may be available. Please contact ICL Client Care.

- [Amino Acids Quantitation, Random Urine](#)
- [Amino Acids Quantitation, Serum/Plasma](#)

ICL is searching for alternate testing labs unaffected by these issues that may be able to provide services for ICL's clients.

If you have further questions, please contact Client Care at (416) 422-3000 Ext. 300 or info@ICLabs.ca
