

Memo No. 2022-024
Date: 09-Aug-2022
Memo To: Clients
Re: *Various*

Service interruption

Anti-myelin Associated Glycoproteins (MAG) at Mitogen Dx is currently unavailable due to reagent issues. Please contact Client Care for the information about alternative service.

Trypsin, Serum at ARUP laboratories is currently unavailable due to reagent issues. Pending orders will be held at the performing lab until service is resumed. An alternative service is currently not available. Please do not submit orders until further notice.

ICL Web Catalogue Update

C1 Esterase Inhibitor Immunological, Serum Reference range has been updated from 0.22-0.38 g/L to 0.21-0.38 g/L. This revision only affects the online test catalogue; reports have always displayed the correct reference range.

Procalcitonin, Serum/Plasma Acceptable sample type and sample stability have been updated.

If you have further questions, please contact Client Care at (416) 422-3000 Ext. 300 or info@ICLabs.ca
