**Memo No.** 2022-027  
**Date:** 16-Aug-2022  
**Memo To:** Clients  
**Re:** Upcoming Canadian Diagnostic Executive Forum

---

ICL is once again producing the Canadian Diagnostic Executive Forum.

Dates: October 24/25, 2022

Location: Westin Harbour Castle Hotel, Toronto

Lab leaders (directors, managers and supervisors) and professionals must attend the Canadian Diagnostic Executive Forum if you are specifically looking for experiences, ideas, and solutions to take back and apply in your hospitals and laboratories. You will be able to network with your peers and vendors, and attendees will share an interest in creating positive change to lab operations. This 2-day event is packed with exciting and thought-provoking sessions that will stimulate discussion like the use of Artificial Intelligence, digital pathology and other great sessions. The cross-country check up will feature leaders and innovators across Canada sharing their innovations, challenges and success stories.

Hospital clients are eligible for special multi-ticket purchases, and we can even invoice directly to your account with the form attached to this memo.

We hope to see you there.

---

Laurie Sweeting, MPA, BHA, MLT  
Director of Laboratory Operations
