

Memo No. 2023-025
Date: 31-May-2023
Memo To: Clients
Re: *Various : Curry IgE, Hop Fruit IgE, Antimony*

[Hop Fruit IgE, Serum](#)

[Curry IgE, Serum](#)

These tests performed at Mayo Clinic will be no longer available effective June 19, 2023. The assays have been discontinued by the manufacturer. There is no alternative test available.

ICL Online Test Catalogue Updates

Collection and handling instruction for **[Antimony, Serum](#)** was revised. Specimens must be collected in a glass red top tube. (Becton Dickinson catalogue #366430 is suggested). Separate as soon as possible and transfer serum to polypropylene vial. There is antimony present in navy EDTA, navy serum, lavender EDTA, green plasma and plastic red top vacutainers.
