Re: *NT-ProBNP, BNP*

NT-ProBNP and BNP

Testing is available for the pro-hormone NT-ProBNP as well as for BNP. Please unambiguously identify the required test. This practice is aligned with accreditation requirements. This is best done by providing the ICL TEST ID as displayed in the online Test Catalogue under the test name.

[NT-Pro B-Type Natriuretic Peptide \(NT-ProBNP\), Serum/Plasma](#)

[B-Type Natriuretic Peptide \(BNP\), Plasma](#)
