Memo to: Clients
Re: Activated Protein C Resistance Updated Reference Interval

Effective Monday May 6, 2024, due to the utilization of a different lot of reagents, the Reference Interval for [Activated Protein C Resistance \(APCR\), Plasma](#) will be revised as below. From this date onward, patient reports will reflect this change.

There are no other changes to this test.

Updated Reference Interval:

Name	Units	Reference Range
Activated Protein C Resistance	Ratio	> 2.12
