Re: ***Streptococcus pneumoniae Antibodies***

Effective immediately, [Streptococcus pneumoniae Antibodies – IgG 23 Serotypes MAID, Serum](#) (performed at Quest Diagnostics) is temporarily unavailable due to manufacturer's shortages. We expect testing to resume, however a timeline has not yet been determined by Quest Diagnostics. ICL will continue to monitor the status and provide updates as the information becomes available to us.

Alternate Service: In the meantime, ICL can refer your orders to Mayo Clinical Laboratories where a similar 23 serotypes assay is available:
[Streptococcus pneumoniae IgG Antibodies 23 Serotypes, Serum](#)
Please contact ICL Client Care for the price of the Mayo service.
